A black and white photograph of a schoolyard. In the background, there is a long, single-story building with a series of windows. A group of people, likely students and teachers, are standing near the entrance of the building. The middle ground is a large, open area, possibly a playground or sports field, with some faint markings on the ground. In the foreground, a large, dark, leafy tree stands prominently, partially obscuring the view of the yard. The overall scene is a typical school environment.
